 MY ROTARY

This Week at Rotary #14: September 12

Lincoln and Nebraska are resettlement friendly and we regularly welcome people who are in search of a better life. Much of the resettlement coordination begins with our Federal and State governments. Ultimately, many local non-profit agencies end up offering a helping hand as well.Â

Karen Parde has been the program coordinator for Nebraska's Refugee Resettlement Program for nine years. Karen will share how the state assists in the coordination of public and private efforts in resettling refugees in Nebraska.Â Join us on Tuesday to learn about Nebraska's work helping refugees.
