MY ROTARY

This Week at Rotary #14: August 29th "From Nebraska to National Parks"

Mikah Meyer is a Lincoln native and 2009 Rotary Ambassadorial Scholar to Canada who is currently over halfway through a world record, 3-year road trip to all 417 National Park Service sites. In the past 16 months he's been featured by NPR, the Washington Post, the Guardian, NBC News, and 350 other news outlets from Nebraska to New Zealand.

Mikah Meyer

Mikah will share how his Rotary Scholar experience, and roots as a Nebraskan and son of UNL's Lutheran Student Center campus pastor, Larry Meyer, led to his journey today--and how his Husker experience is continually shaping the project.

We're seeking a new Club Administrator

Rotary #14's Executive Director Mary Buckley will be retiring from her service to the Club this year. We are seeking an independent contractor to execute similar duties for Club #14 starting this fall. The job description is available [here](#). We need all members to use

your networks to help us find suitable candidates to interview for the position. Please share the job description with those you see fit to help support and grow our club into the future. Resumes should be sent to LincolnRotary014@gmail.com for submission. The deadline for application is September 13th!

Some Personal Concerns...

Please keep these members in your thoughts:

- Erin Duggan Pemberton's sister-in-law passed away in recent weeks.
- Allen Beerman's wife, Linda, is at Tabitha recovering from recent back surgery.

Club Business Updates...

BYLAWS: Based on the feedback we have received related to the proposed bylaws changes, the Board of Directors will revisit the proposal at their September meeting to determine if any feedback should be incorporated into a final proposal to be voted on at a future meeting. The vote originally scheduled for this Tuesday will be delayed until after that meeting and the required publication and announcements can be made according to the current Bylaws. Stay tuned!

CLUB DIRECTORY: The current Plan of Service and most of the information formerly found in our printed Directory is now available on the Rotary #14 website at www.rotary14.org/members-login/directory1.html. If you still want a printed copy, please click [HERE](#). We should have printed copies available the first week of September.
