 MY ROTARY

9/26/2017

This Week at Rotary #14: September 26

Join us on Tuesday to hear from Matthew Wegener, co-founder of Turbine Flats, an environment for small and start-up businesses to bring their products and ideas to market. Turbine Flats recently completed full build-out and renovation of their original warehouse space at 2124 Y Street.

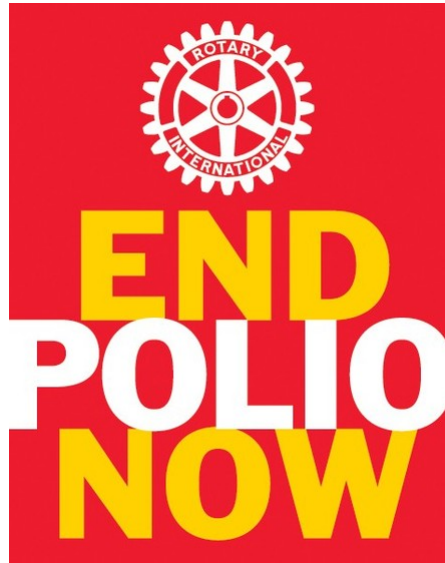

Turbine Flats is a key component to the startup community in Lincoln. Wegener says, "Every community has its ongoing maturation struggles, and thereâ€™s definitely some of that in Lincoln," he said. "We have to continue to grow and mature offerings and services. We canâ€™t plateau, we need to keep driving." Bring a guest on Tuesday to hear more about this MAKE Lincoln, which will take place on September 30th.

Matthew Wegener, Turbine Flats/MAKE Lincoln

Bike Ride to End Polio - This Sunday, October 1st

Join your friends and fellow Rotarians to raise money to eradicate polio this weekend! Participants will meet at Christina Usher's home, 1920 Beatrice St, on Sunday at 2:30 pm (21-mile ride) or 3:30 pm (11-mile ride). Suggested contributions for participation: \$50 for adults; \$10 (total) for all kids in the family. So if there is one

kid - \$10 bucks, 3 kids = \$10 bucks.

We'll gather back together and share a potluck meal at the end of the ride. So even if you don't want to ride, come by around 4:30 pm to make a contribution to the cause and dine with us!

"Lunch with a Rotarian" at Everett Elementary begins this week

Our Everett School Partnership Project has been underway for over a year. To date, we've provided support to establish a "Fuel Up to Play 60" site, this year's Ukelele Club and have established a relationship with the school parent group to provide professional and civic presentations to their members.

The Everett School Committee encourages all members of Rotary #14 to get to know the Everett School community better by attending "Lunch with a Rotarian" on the 4th Thursday of the month. Sign up to attend on a date that works for you at <http://www.rotary14.org/current-projects/everett.html>

You will need to complete a volunteer form with LPS before you show up at the school. This form must be complete annually, so even if you signed up last year, please complete the form at: <http://wapp.lps.org/gold/volunteer/volunteer.cfm>

Everett School is located at 1123 C St. Enter through the north door, sign-in and head to the cafeteria on the main floor. Bring your own lunch and arrive at 11:50 a.m. There are three 20-minute lunch shifts and you may stay for one, two or three shifts as your time allows.

Dictionary Project Signup is Live!

We are collaborating with the other Lincoln Rotary Clubs again this year to distribute dictionaries to every 4th grader in town. The labeling party is scheduled for tomorrow, September 26th, from 5:30 to 7:30 pm and we need volunteers willing to help distribute the books before October

12th. You can sign up to help here: <http://www.rotary14.org/current-projects/dictionary1.html>. The Dictionary Project helps fulfill our role to promote literacy in our community. Sign up today!

Briefly...

Calling all Veterans and current Service Members! We have started planning our Veteran's Day celebration, which will take place on November 7th. We want to acknowledge everyone who has served our country in the military at this meeting. If you haven't provided a picture of yourself in uniform in prior years, we would appreciate it if you could send one to [Mark Feit](#), In-Club Celebration Committee Chair, before October 31st. Thanks!

Make sure you get your [Nebraskan of the Year tickets](#) soon! The luncheon honoring Tony Messineo is **Tuesday, October 10th** at Embassy, Suites, 1040 P St. It's not to be missed!

Personal Concerns

Please keep the following Rotarians in your thoughts and prayers:

- Keith Larsen's mother passed away two weeks ago.
- Nancy Finken lost her sister, Jeanne, last week. Services took place in Springfield, IL, yesterday and today.
