 MY ROTARY

This Week at Rotary #14: September 5

Join us on Tuesday this week to hear from Dr. Liz Standish, Associate Superintendent for Business Affairs at Lincoln Public Schools. LPS is experiencing tremendous growth in the student population. The growth is dynamic. Students are coming from increasingly diverse backgrounds. Lincoln is growing in all directions and enrollment is increasing in all grade-spans. Dr. Standish will update our club on these growth issues facing our public school system and new initiatives being undertaken to address them.

**ROTARY:
MAKING A
DIFFERENCE**

**The International Student
Picnic is Sunday!**

Join your fellow Rotarians this weekend as we welcome International Students attending college in the area this year! We'll be at Holmes Lake Park, just southeast of the main playground, starting at 2:30 pm.

Note to Red Badge Members:
Volunteering at the picnic counts towards your community service requirement!

If you can't join us Sunday, we'll be prepping for the party at Christina Usher's home on **Tuesday, September 5th at 5:30 pm.**

Finally, we still need volunteers to lend us pop-up "tailgate" tents to provide shade at the picnic and a few more coolers of ice.

Contact [Christina](#) if you think you can help out.

Briefly...

If you missed our speaker, Mikah Meyer, at the meeting last Tuesday, [here](#) is an article from the Omaha World Herald covering his quest to visit all 417 National Park sites and his recent return to Nebraska.
