 MY ROTARY

12/12/2017

This Week at Rotary #14: December 12

Founded in 1883, Midland University is a private liberal arts college located in the heart of Fremont, Nebraska with a satellite location in Omaha. About 1,400 students attend Midland, where their acclaimed 4-Year Graduation Guarantee assures students meeting basic requirements will graduate within four years. Midland University's mission is to "inspire people to learn and lead in the world with purpose".

This week at Rotary #14, President Jody Horner, a proven executive with decades of experience in leadership of one of America's largest business enterprises, higher education, and nonprofit organizations, will share her unique vision for the future of the University. Join us Tuesday to learn more about "Midland and Meat - A Unique University Vision."

A Note from President Jennifer - We Need Your Help! Club Service SignUp

As you may know, our Sergeant at Arms for the 2017-18 Year changed jobs and moved to Oregon last month. I've been patching those duties together for a few weeks and realize that I need to create a more organized plan for the rest of the year. I have two small needs each week:

1. I need someone to stop at the bank vault on Tuesdays before the meeting to bring up the computer and connect it to the video system in the Nebraska Club.

2. I need someone to do "clean up". Basically make sure that all the badges get put away and the computer gets returned to the vault.

If you could help with these tasks occasionally, please contact me (jennifer.brinkman@gmail.com or text 402.525.3958). I plan to send out a request on a monthly basis to accommodate changing schedules.Â

SPECIAL REQUEST: This Friday, December 15th - 10 am

As we continue to transition our Club Administrator duties, we will need to move some Club files from Mary Buckley's residence to our storage area at the bank. This Friday, December 15th, I need help cleaning and organizing the bank vault area to accommodate these files. If you are available to help, please let me know. We will meet at the bank at 10:00 am and then I'll treat all on hand to lunch following.

Welcome New Member Mark Anderson

The newest member of Club #14 was introduced at last week's meeting. Mark Anderson and his wife, Susan, are the new leaders of the Salvation Army Corps in Lincoln. Anderson has been a member of Rotary in his prior locations, including previous membership in Rotary Club #14 in Chicago. Introduce yourself to Mark at a Tuesday meeting as we develop goodwill and better friendships among our members!
