## This Week at Rotary #14: November 28

Join us on Tuesday to hear from British Naval Captain Paul Dunn. During his service in the Royal Navy, Captain Dunn specialized in submarine service, serving in a variety of roles since his induction in 1989. He was named an Officer of the British Empire (OBE) in 2006 after his work as Commanding Officer of the HMS Vigilant.

Captain Dunn will provide remarks on his history in the tactical service and his new strategic role as the UK Liaison Officer to the US Strategic Command in Omaha. Join us for a fascinating look at life under the sea!

## Personal Concerns

- Alan Hersch is having hip revision surgery this week and will be participating in rehabilitation activities throughout the month of December. He hopes to be off crutches and back at Rotary in January.
