

"Healthcare Reform: Is it the neverending story?"

Our program speaker this week is Steve Martin, CEO, of Blue Cross Blue Shield of Nebraska. In Nebraska, less than ten percent of American citizens are affected by Obamacare or its replacement. However, in some states, it may impact as much as 35-50 percent of the population. Martin will reveal why there is such a stark variance and shed light on the

arguments that are so difficult to resolve surrounding this important topic. Join us on Tuesday and **bring a guest** to learn more!

Club Member App is on the way!

Later today, every member of Rotary #14 will receive an email from President-Elect Randy Bretz providing step-by-step instructions that will enable you to access our new cell phone app, where you can have club member contact information at your fingertips! He will review the instructions at the club meeting tomorrow as well. If you have any questions or need help, please contact Randy at rgbretz@gmail.com. Welcome to the future of Rotary!
